Trial Period:

The first 3 days after your account is activated is the Trail Period when you can get familiar with the whole working process as well as the use of GauthExpert App/Website.

To pass the trial, you need to maintain an **accuracy rate** and **positive rating** higher than 85% all the time. Although you don't have to work every day, you need to finish at least 3-5 questions during the trial period (e.g. 1 questions/day x 1 days, or 2 questions/day x 2 days).
